

**Parent Permission Form for Student Cell Phone Use  
Grades K-5**

My student, \_\_\_\_\_, has my permission to bring a cell phone and/or electronic device including gaming devices, iPads, electronic tablets, smart watches such as an apple watch to school. My student and I understand that the cell phone and/or electronic device must stay in the student's locker or backpack in the locker and turned off on school property.

I have read the rules and understand the consequences involved if my student is using any electronic device during the school day unless specifically allowed by the classroom teacher during supervised indoor times.

I agree that the school is in no way liable for any damage or loss of the phone/electronic device or for any expenses incurred by the use of these items.
